

CHINA GROVE

**When the sun comes up on a sleepy little town__Down around San Antone
And the folks are risin' for another day__'Round about their homes
The people of the town are strange__And they're proud of where they came
Well, you talkin' 'bout your China Grove
(Talkin' 'bout your China grove)
Whoa, oh (whoa, oh) China Grove**

**Well the preacher and the teacher__Lord, they're a caution__They are the talk of
the town**

**When the gossip gets to flyin' and they ain't lyin'__When the sun goes
underground**

**They say that the father's insane__And dear Mrs. Perkin's a game
Well, talkin' 'bout your China Grove__(Talkin' 'bout your China grove)
Whoa, oh (whoa, oh) China Grove**

But everyday there's a new thing comin'__The ways of an oriental view

**The sheriff and his buddies with their samurai swords__You can even hear the
music at night**

**Though it's a part of the Lone Star State__People don't seem to care
They just keep on lookin' to the east__**

**Talkin' 'bout your China Grove
(Talkin' 'bout your China grove)
Whoa, oh (whoa, oh) China Grove**

HAVE YOU EVER SEEN THE RAIN

**Someone told me long ago
There's a calm before the storm
I know, it's been coming for some time
When it's over, so they say
It'll rain a sunny day
I know, shining down like water**

**I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain?
Coming down on a sunny day**

**Yesterday, and days before
Sun is cold and rain is hard
I know, been that way for all my time
'Til forever, on it goes
Through the circle, fast and slow
I know, it can't stop, I wonder**

**I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain?
Coming down on a sunny day**

**I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain?
Coming down on a sunny day**

DRIFT AWAY

**Day after day I'm more confused___ Yet I look for the light through the pourin' rain
You know that's a game that I hate to lose___ And I'm feeling the strain
Ah, ain't it a shame?**

**Oh, give me the beat, boys, and free my soul
I want to get lost in your rock 'n' roll___ And drift away
Give me the beat, boys, and free my soul
I want to get lost in your rock 'n' roll___ And drift away**

**Beginnin' to think that I'm wastin' time___ I don't understand the things I do
The world outside looks so unkind___ And I'm countin' on you
You can carry me through**

**Oh, give me the beat, boys, and free my soul
I want to get lost in your rock 'n' roll___ And drift away
Give me the beat, boys, and free my soul
I want to get lost in your rock 'n' roll___ And drift away**

*And when my mind is free___ You know a melody can move me
When I'm feelin' blue___ The guitar's coming through to soothe me
Thanks for the joy that you're givin' me
I want you to know I believe in your song
Rhythm and rhyme and harmony___ You help me along
You're makin' me strong*

**Oh, give me the beat, boys, and free my soul
I want to get lost in your rock 'n' roll___ And drift away
Give me the beat, boys, and free my soul___ I want to get lost in your rock 'n' roll

could steal__She drives on through the night, anticipating_'Cause he makes her
feel the way she used to feel

sky__Another night, it's gonna be a long one__She draws the shade and hangs
her head to cry

She wonders how it ever got this crazy__She thinks about a boy she knew in
school__Did she get tired or did she just get lazy?__She's so far gone, she feels
just like a fool

My, oh my, you sure know how to arrange things__You set it up so well, so
carefully__Ain't it funny how your new life didn't change things?__You're still the
same old girl you used to be

*You can't hide your lyin' eyes__And your smile__ is a thin disguise

Seven Bridges Road

There are stars in the southern sky__

Southward as you go_____

There is moonlight and moss in the trees_____

Down the seven bridges road_____

Now I have loved you like a baby__

Like some lonesome child_____

And I have loved you in a tame way_____

And I have loved you wild_____

Sometimes there's a part of me

Has to turn from here and go

Running like a child from these warm stars

Down the seven bridges road_____*

There are stars in the southern sky

And if ever you decide you should go

There is a taste of thyme sweetened honey

Down the seven bridges road

Cold

Girl, the way you broke my heart__It shattered like a rock through a window
I thought we had it so good___Never really saw this comin'

And put our love on ice?*

Oh, girl, you know you left this hole Right here in the middle of my soul

Oh, why you got to be so cold?

What am I supposed to say___If anybody asks me about you?

I guess I'll tell 'em I'm without you_____

How am I supposed to live___When I built my life around you?

Try to put yourself in my shoes

*Oh, why you got to be so cold? Why you got to go and cut me like a knife
And put our love on ice?*

Oh, girl, you know you left this hole Right here in the middle of my soul

Oh, why you got to be so cold?

I can only feel my love hangin' on___I don't feel like it's over

I used to spend my nights out in a barroom___
Liquor was the only love I've known___

You're as warm as a glass of brandy___
And honey, I stay stoned on your love all the time

Found the bottom of a bottle's always dry___

Mary Janes Last Dance

**She grew up in an Indiana town
Had a good lookin' mama who never was around
But she grew up tall and she grew up right
With them Indiana boys on an Indiana night
Well she moved down here at the age of eighteen
She blew the boys away it was more than they'd seen
I was introduced and we both started groovin'
She said, "I dig you, baby, but I got to keep movin'**

***Last dance with Mary Jane__ One more time to kill the pain
I feel summer creepin' in and I'm__ tired of this town again***

**Well, I don't know but I've been told
You never slow down, you never grow old
I'm tired of screwing up, tired of goin' down
Tired of myself, tired of this town
Oh, my, my, oh, hell yes
Honey, put on that party dress
Buy me a drink, sing me a song
Take me as I come 'cause I can't stay long**

***Last dance with Mary Jane__ One more time to kill the pain
I feel summer creepin' in and I'm__ tired of this town again***

**There's pigeons down on Market Square
She's standin' in her underwear
Lookin' down from a hotel room
The nightfall will be comin' soon
Oh, my, my, oh, hell yes
You've got to put on that party dress
It was too cold to cry when I woke up alone
I hit the last number, I walked to the road**

***Last dance with Mary Jane__ One more time to kill the pain
I feel summer creepin' in and I'm__ tired of this town again***

Turn The Page

On a long and lonesome highway__East of Omaha
You can listen to the engine__Moanin' out his one note song
You can think about the woman__Or the girl you knew the night before
But your thoughts will soon be wandering__The way they always do
When you're ridin' sixteen hours__And there's nothin' much to do
And you don't feel much like ridin'__You just wish the trip was through

*See here I am__ On the road again__ There I am__ Up on the stage
Here I go__ Playin' star again__ There I go__ Turn the page*

Well you walk into a restaurant__Strung out from the road
And you feel the eyes upon you__As you're shakin' off the cold
You pretend it doesn't bother you__But you just want to explode
Most times you can't hear 'em talk__Other times you can
All the same old cliches__"Is that a woman or a man?"
And you always seem outnumbered__You don't dare make a stand

*See here I am__ On the road again__ There I am__ Up on the stage
Here I go__ Playin' star again__ There I go__ Turn the page*

Out there in the spotlight__You're a million miles away
Every ounce of energy__You try to give away
As the sweat pours out your body__Like the music that you play

Later in the evening__As you lie awake in bed
With the echoes from the amplifiers__Ringin' in your head
You smoke the day's last cigarette__Rememberin' what she said

*See here I am__ On the road again__ There I am__ Up on the stage
Here I go__ Playin' star again__ There I go__ Turn the page*
